

# Feel You

## ATB

I can feel you across the miles of my body,  
Almost physical, spiritual, like there was no separation,  
Like you were right beside me, like a river

I can feel forever in my mind,  
I can always reach for you inside  
We can stay together in our minds  
Feel you like a river never dies

Remember the bridge we crossed, ???  
We can keep it alive, its just energy

I can feel forever in my mind,  
I can always reach for you inside  
We can stay together in our minds  
Feel you like a river never dies

And I feel, I feel, I feel you, like a river  
And I feel, I feel, I feel you, like a river  
    Can feel forever in my mind,  
    I can always reach for you inside  
    We can stay together in our minds  
    Feel you like a river never dies

And I feel, I feel, I feel you, like a river  
And I feel, I feel, I feel you, like a river  
And I feel, I feel, I feel you, like a river
