## Slipknot

I want to slit your throat and fuck the wound  
I want to push my face in and feel the swoon  
I want to dig inside, find a little bit of me  
'Cause the line gets crossed when you don't come clean  
My wormwood meets your pesticide  
You'll never get out, cause you were never alive  
I am infinite, I am the infant finite  
Come a little closer and I'll show you why (No one is, safe)  
Noises, noises, people make noises  
People make noises when they're sick  
Nothing to do except hold on to nothing (No one is, safe)  
Noises, noises, people make noises  
People make noises when they're sick  
Nothing to do except hold on to nothing  
How does it feel to be locked inside another dream  
That never had a chance of being realized?  
What the fuck are you lookin' at?  
I'll tell you what you're lookin' at  
Everyone you ever fuckin' laughed at  
Look in my eyes for the answers, typical  
I can feel it underneath like a miracle  
Everybody in the world needs more than  
Lies and consequences to power them  
Once again, it's me and no one else  
I can't remember if there was a someone else  
It's not mine, it's not fair, it's outta my hands  
And it's shaking, you'll never take me (No one is, safe)  
Noises, noises, people make noises  
People make noises when they're sick  
Nothing to do except hold on to nothing (No one is, safe)  
Noises, noises, people make noises  
People make noises when they're sick  
Nothing to do except hold on to nothing  
Nothing, nothing (Hate) hate ain't enough to describe me  
(Scream) somewhere between screaming and crying  
I'm not supposed to be here  
I'm not supposed to be (Why) when do I get to know why?  
(Bitter) bitter as the stink of when I try  
I'm not supposed to be here  
I'm not supposed to be  
Pull your hands away  
I'm gone, goodbye, it's so depressing  
Withering away

Take a look, inside, my soul is missing  
All I have is dead, so I'll take you with me  
Feel like I'm erased, so kill me just in case  
I Feel like I'm erased, so kill me just in case  
So kill me just in case(Covet) everything around me's mine  
(Sty) can't see through the sties in my eyes  
I'm not supposed to be here  
I'm not supposed to be(Down) scratching and clawing all the way  
(Stay) you won't let me fucking stay  
I'm not supposed to be here  
I'm not supposed to be(Live) is there another way to live?  
(Die) 'cause it's the only way to die  
I'm not supposed to be here  
I'm not supposed to be
