

# Travellers

## Runrig

Travellers pass the fast could hardly post a card Travellers go to soon don't wait for a town's full moon  
Hover about the earth bound souls snapshot ancient mysteries Cut off times that pass too slow often leave  
before they go Travellers pass - more towns than times - they don't invent neither thoughts nor rhymes  
Hit the road Brother, if you don't try for those spin your shoes, runner if you don't cry for those if you then miss  
some essentials - elsewhere Travellers pass - more towns than times  
they don't invent neither thoughts nor rhymes  
You paratroop all your perfect pain Change then your aim as you changed your name
