# This Is All I Ask

## Tiny Tim

As I approach the prime of my life
I find I have the time of my life
Learning to enjoy at my leisure, all the simple pleasures
And so I happily concede, this is all I ask
This is all I need
Beautiful girls, walk a little slower when you walk by me
Lingering sunset, stay a little longer with the lonely sea
Children everywhere when you shoot at bad men, shoot at me
Take me to that strange enchanted land
Grown-ups seldom understand
Wandering rainbows need a bit of color for my heart, to all of me
Stars in the sky, make my wish come true
Before the night has flown and let the music play
As long as there's a song to sing
And I will stay younger, I will stay younger
I will stay younger than spring.
*Spoken*
Oh thank you, thank you, thank you so much
Mother darling, Father dear
Thank you everyone
Goodbye, goodbye
