

# That's Just Living

## Montgomery Gentry

I took a few stitches right there  
One night when I caught a little air  
Flyin' over those railroad tracks  
Back tire hit the gravel and I rolled it  
But that's the way it's always been  
I was out there runnin' down a feelin'  
Hit a few bumps, take a few falls  
Get up and walk away like you own it  
They may look like scars to you  
Some of my life's best tattoos  
The wear and tear, the black and blue  
That's just livin'  
It goes to show you paid your dues  
Those you win and those you lose  
All the way with no excuse  
That's just livin'  
That's just livin' Hey girl, lemme dry those tears  
Don't cry cause you're leavin'  
I swear a lot of big things are waitin' on you  
And we all got to do what we gotta do  
I won't lie, this is breakin' my heart  
And I know it's gonna leave a good mark  
And when it heals, I'll be fine  
But I got the chance to dance with you one time  
They may look like scars to you  
Some of my life's best tattoos  
The wear and tear, the black and blue  
That's just livin'  
It goes to show you paid your dues  
Those you win and those you lose  
All the way with no excuse  
That's just livin'  
That's just livin' Of all the roads you took  
Turns you wish you'd taken slower  
It's all you've got to show  
Girl when this whole thing is over  
They may look like scars to you  
Some of my life's best tattoos  
The wear and tear, the black and blue  
That's just livin'  
It goes to show you paid your dues  
Those you win and those you lose

Turn the page with no excuse  
That's just livin'  
They may look like scars to you  
Some of my life's best tattoos  
The wear and tear, the black and blue  
That's just livin'  
It goes to show you paid your dues  
Those you win and those you lose  
All the way with no excuse  
That's just livin'  
That's just livin'  
That's just livin'  
That's just livin'
