

All I Want to Be (Is By Your Side)

Peter Frampton

Do what you do, don't bring me down
I went to the doctor, he's just another clown
Don't stand alone you might turn to stone
I'm sure there is a pill for that, you're on your own
Can't you see what it's doing to me, all I wanna be is by your
side
I don't care if they cut my hair, all I wanna be is by your side
Well, all I wanna be is by your side, yeah, by your side
Shake me down, you wanna put me on the ground
There's money in my pocket, I won't make a sound
Well, you can run me over or pick a four leaf clover
Now, they cut the lights down, this record's going slower
Can't you see what it's doing to me, all I wanna be is
by your side
I don't care if they cut my hair, all I wanna be is by your side, yeah
All I wanna be is by your side, all I wanna be is by your side
Hey, all I wanna be is by your side
