They Say (feat. Tay Walker)

The Internet

Advisory - the following lyrics contain explicit language:

They say that every day is a struggle
and it takes time,
but do they do they have a clue?
How do i do i tell the truth from a lie now?
They try to say hello it's goodbye tomorrow
Throw a little "kush" up in the bowl
You'll be all right
You'll be all rightJust think if things were perfect
would it be worth it if even at all
So don't act like you can't take it
we were built to be greatness
you can weather the stormI know how easy (I know how easy)
it is to give up (it is easy give up)
but don't let people (don't let people)
hold you down (hold you down)
and I know sometimes (I know sometimes)
that it will amaze you (that it will amaze you)
but don't let it fade you (don't let it fade you)
hold your ground (hold your ground)hmm
they say they say hmm
they say they say hmm
they say they say hmmWhy do we judge does we don't know?
There's no need to hide
You know what's inside
Why do we hate when there's love to spare?
Why don't we understand
that the only way to grow is with loveJust think if things were perfect
would it be worth it if even at all
So don't act like you can't take it
we were built to be greatness
you can weather the stormI know how easy (I know how easy)
it is to give up (it is easy give up)

but don't let people (don't let people)
hold you down (hold you down)
and I know sometimes (I know sometimes)
that it will amaze you (that it will amaze you)
but don't let it fade you (don't let it fade you)
hold your ground (hold your ground)hmm
they say they say hmm
they say they say hmm
they say they say hmm
