

# Raving Mad

## Primal Fear

Another nightmare is coming true  
Taking possession out of the blue  
There's a cyclone in my head It's never ending - keeps coming back  
Just can't control this monster  
I'm under attack Raving mad  
Two souls alas are dwelling in my breast  
Raving mad  
I'm such a mess - to fail this acid test  
Can't sort the pictures all blurred and skewed  
Dystopian vision I'm simply screwed  
Schizophrenic - addled brain Just call the nut house to pick me up  
It's too late to call the doctor  
I'm just a dead loss Raving mad  
Two souls alas are dwelling in my breast  
Raving mad  
I'm such a mess - to fail this acid test  
Raving mad  
Two souls alas are dwelling in my breast  
Raving mad  
Raving mad  
Raving mad  
Raving mad
