Spinster

Talia

Maybe, I don't wanna, maybe, I don't wanna, wanna
Maybe, I don't wanna fuck you
I'm a spinster, I don't need no rules
I don't got no one tellin' me what to do
Tellin' me what's cool, I'm no stupid fool
Hey teen ageist, I'm not over yet
Y O U T H only, baby, that's your math
I'm a spinster, I don't need your rules
I'm resisting, don't need no one to

Tell me what's cool or how I need a tool
To get through to you
I'm no one's wife and I'm not your little girl
Don't tell me I'm useless
'Cuz I want more from this world
Maybe, I don't wanna, maybe, I don't wanna, wanna
Maybe, I don't wanna, maybe, I don't wanna
Maybe, I don't wanna, maybe, I don't wanna, wanna
Maybe, I don't wanna fuck you, hey, ever think of that?
