

# Skankenstein (Cabaret Voltaire Remix)

## Kora

Sweat and lies and alibis  
keep your mouth shut from flies  
Just park your ears and close your eyes  
and live through laws and lies'Cause that's just not for me girl  
That's just not for me girlCome to tear a pretty gem(?)  
This time it should be over  
you're in a weak position now  
'cause I can't admit it  
you're trying to be just like me girl  
I'm constantly thinking  
'Cause that's just not for me girl  
constantly dreaming  
That's just not for me girlCome together, make excuses  
and use them when I'm in doubt  
A fake smile to show that everything is fine  
I can see it in your eyes it's  
not.Blood and tears, they pollute my fears and  
park a clearer find  
But I don't care if you don't care 'cause I'm your skankenstein'Cause that's just not for me girl  
I'm constantly thinking  
Those fake lies are most appetizing  
assures that you're not in  
'Cause that's just not for me girl  
I'm constantly thinking  
'Cause that's just not for me girl  
I'm constantly dreaming  
'Cause that's just not for me girl
