Silent Warrior

Enigma

Long ago, for many years
White men came in the name of God
They took their land, they took their lives
A new age has just begun
They lost their Gods, they lost their smile
They cried for help for the last time
Liberty was turning into chains
But all the white men said
"That's the cross of changes"
In the name of God, in the name of God
The fight for gold these were the changes
Tell me is it right, in the name of God
These kind of changes?
They tried to fight for liberty
Without a chance in hell, they gave up
White men won in the name of God
With the cross as alibi

There's no God who ever tried
To change the world in this way
For the ones who abuse His name
There'll be no chance to escape
On judgment day
In the name of God, in the name of God
The fight for gold these were the changes
Tell me is it right, in the name of God
These kind of changes?
Tell me why, tell me why, tell why
The white men said
"That's the cross of changes?"
Tell me why, tell me why, tell why
In the name of God
These kind of changes
