My Enemy

Skid Row

Play the fence, one way you're gonna fall Sometimes I don't know who you are at all Your opinion is something that you've got inside But I see the loyalty has up and died Your skeletons, my skeletons Life is only getting shorter You can be my enemy and I don't care I keep throwin' stones at yourself Stories run in circles that have no end I hit on luck, then you bum me out again But there's a way that you keep the truth in check Scratch the surface and treat it like a broken neck Keep the peace when face to face with the scene I got a hunch that ain't what you really mean Weather's fair, does that change where you stand? My back is turned and the knife is in your hand Your genocide, my genocide Life is only getting shorter You can be my enemy and I don't care I keep throwin' stones at yourself And you can be my enemy, I don't care You try too hard, I can tell Your genocide, my genocide Life is only getting shorter You can be my enemy and I don't care I keep throwin' stones at yourself You can be my enemy, I don't care You try too hard, I can tell You can be my enemy and I don't care
