Dee Dee Sharp

oh yeah ummm
If you want to save some trouble in your life
girl you better listen now take my advice
if you want save your dignity and grace
never fall for a handsome facenever never pick a pretty boy
there'll be trouble more than joy
never never pick a pick a pretty boy
there'll be trouble more than joyhe'll say that you're his your pride and joy
but don't be fooled girl never pick a pretty boy
ummmm yeah ummm
find any ugly boy who just can't help himself
one who has a face you wouldn't want yourself
if your friends laugh and say you have no taste
smile to show there's no disgrace
---
chorus:
never never pick a pretty boy
there'll be trouble more than joy
never never pick a pick a pretty boy
there'll be trouble more than joyyou'll' be a toy for a pretty boy but
don't be a fooled girl never never pick a pretty boy
