Even after All

Finley Quaye

Even after all the murdering
Even after all your suffering soYou know I love you so
You know I love you so and so
Even after allAll that you go on, sir
Is the order of the day
And all that you believe, sir
Is the order in this societyYou know I love you so
You know I love you so and so
Even after allThis is my manner y'all
Man, just feel satisfied
No competition, no competition at all
I just feel satta starThem eyes are gorgeous. girl
No demise, uprise
I got to raise it again
Them eyes are gorgeous, I must advanceI don't check for no superficial
It's got to be beneficial
These sonic fruits, these sonic fruits
SightThese sonic fruits
Got them moving around alright
Hyper play
Steppin' and risingEven after all the murdering that go on
Even after all, oh no, your suffering soYou know I love you so
You know I love so and so
Even after allYou just survive, soldier
And your soul is beautiful
And your soul is good
