Master Of All Fears

Triggerfinger

There will be greed
There will be vengeance
And you will bleed, yes, you will bleed
In four dimensionsWhat you gonna do?
What you gonna do?
What you gonna do?Lord of five hundred spears
Drags you out of your bed
Master of all fears, master of all tears
Aiming at your head
You're swallowed by fear
You're out of breath
Because you drown in liquid lead
And false pretensionWhat you gonna do?
What you gonna do?
What you gonna do?
There will be greed
There will be vengeance
And you will bleed, yes, you will bleed
In four dimensionsIt cuts, it cuts the mindWhat you gonna do?
What you gonna, gonna do?
