I Don't Wanna Go

Colette Carr

We bring the party, doesn't matter where we are
So grab somebody, keep it poppin after dark
We bring the party, taking off and never land
No we ain't leaving cause this shits about to bend
I don't wanna go, I don't wanna go, I don't wanna go
Bitch spilt cough syrip on my wife beater
Beater eight ladies cram, hammered in a five seater
So many swirls in my head, like a mind reader
Holding cups, taking shots like a 9-metre
See look, I meat metre

I thought I told you I'm gonna get em when I see em
I'm like padumpumpum
Not trying to dip and switch the pace up
Tonight we padumpum
Turning it out with the bass up
Coming undone, so we can lace up
Hands in the air, stilletoes on the mix up
We bring the party, doesn't matter where we are
So grab somebody, keep it poppin after dark
We bring the party, taking off and never land
No we ain't leaving cause this shits about to bend
I don't wanna go, I don't wanna go, I don't wanna go
I say quit it if your trying to cuddy
Make it rain till the ground gets muddy

What's so funny why are you laughing
Tongue tied like you can't imagine
Esa-cabesa is fucking loco
Cherry boom bomba, con el roho
RedOne padumpadumpum
Not trying to switch or pace up
Tonight we padumpum
Turning it out with the bass up
Coming undone, so we can lace up
Hands in the air, stilletoes on the mix up
We bring the party, doesn't matter where we are
So grab somebody, keep it poppin after dark
We bring the party, taking off and never land

No we ain't leaving cause this shits about to bend
I don't wanna go, I don't wanna go, I don't wanna go

I say quit it if your trying to cuddy
I say quit it if your trying to cuddy
I say quit it if your trying to cuddy
I say quit it if your trying to cuddy

But I thought the old lady dropped it in the ocean in the end
I'm so confused
Hahahaha
We bring the party, doesn't matter where we are
So grab somebody, keep it poppin after dark
We bring the party, taking off and never land
No we ain't leaving cause this shits about to bend
I don't wanna go, I don't wanna go, I don't wanna go
I told you this shit is about to bang
This shit is about to bang

Padumpumpadumppadump
