

Beautiful Girl

Christian Bautista

Beautiful girl, wherever you are
I knew when I saw you, you had opened the door
I knew that I'd love again after a long, long while
I'd love again.
You said "hello" and I turned to go
But something in your eyes left my heart beating so
I just knew that I'd love again after a long, long while
I'd love again.Refrain : It was destiny's game
For when love finally came on
I rushed in line only to find
That you were gone.Wherever you are, I fear that I might
Have lost you forever like a song in the night
Now that I've loved again after a long, long while
I've loved again.*Repeat Refrain
