

# Have You Ever Been (To Electric Ladyland)

## The Jimi Hendrix Experience

Have you ever been (have you ever been) to Electric Ladyland?

The magic carpet waits for you so don't you be late

Oh, (I wanna show you) the different emotions

(I wanna run to) the sounds and motions

Electric woman waits for you and me

So it's time we take a ride, we can cast all of your hang-ups over  
the seaside

While we fly right over the love filled sea

Look up ahead, I see the loveland, soon you'll understand. Make love, make love, make love, make love. The

angels will spread their wings, spread their wings

Good and evil lay side by side while electric love penetrates the sky

Lord, Lord I wanna show you

Hmm, hmmm, hmmm

Show you.
