Wouldn't You Like To Know Me

Paul Stanley

I've been lonely but I feel alright
You got another baby, hold him tight, you know
You been pushin' and you won't get me tonight
I've been your lover, but I'm not your fool
You wanna to teach me but I'm not in school, you know
You been pushin' and you won't get me tonightYou come a-crawlin', but you're much too late
You've got the key, but babe I locked the gate
I tried to call you when you were not home
Nobody likes to spend the nights alone
Wouldn't you like to know me
And wouldn't you like to show me you care
Wouldn't you like to take me
And wouldn't you like to make me, whoo yeahYou're good lookin' so you get your way
You been lucky, baby, not today, because
You been pushin' and you don't get me tonightYou come a-crawlin', but you're much too late
You've got the key, but babe I locked the gate
I tried to call you when you were not home
Nobody likes to spend the nights aloneWouldn't you like to know me
And wouldn't you like to show me you care
Wouldn't you like to take me
And wouldn't you like to make me, whoo yeah
Lets' go
Wouldn't you like to know me
And wouldn't you like to show me you care
Wouldn't you like to take me
And wouldn't you like to make me, whoo yeah
Wouldn't you like to know me
And wouldn't you like to show me you care
Wouldn't you like to take me
And wouldn't you like to make me, whoo yeah
Wouldn't you like to know me
And wouldn't you like to
