

Much

Ten Shekel Shirt

I come to Your feet and weep
Remembering how You changed me
I kneel at Your feet humbly
I pour on my love and my thanks I am the one who's been forgiven much
I am the one who loves much I sit at Your feet in peace
Sensing a smile over me
I'm here at Your feet gladly
Giving my love and my thanks I am the one who's been forgiven much
I am the one who loves much I am the one who's been forgiven much
I am the one who loves much I am forgiven, and I am forgiven
And I am the one who loves You much
