## The Matadors

Eliminate, the life decline  
I've paid the masters with blood and hunger  
And it's not for sale by any stretch.  
It's like religion without a Bible  
And the Dragon lives inside my mouth  
And it speaks in tongues, the word

Hellbound, in Ft. Worth, Texas  
Hellbound, Ft. Worth

Snakes, in Southern flames  
To bring the thunder; the great decider  
Would you believe in this or the ash?  
I do believe it and it's taking over  
Accept

Hellbound, in Ft. Worth, Texas  
Hellbound, Ft. Worth

Born to a world so young and proud  
But over your head hangs a black cloud  
Grow your hair and crawl inside yourself  
Because there you cannot hide  
Facing fears that you'll overcome and one  
Of these years you know you've won
