

# I Can't Stop Drinking About You (Quintino Remix)

Bebe Rexha

No one's gonna love you like I do  
No one's gonna care like I do  
And I can feel it in the way that you breathe  
I know you dream of her while you sleep next to me I can't stop drinking about you  
I gotta numb the pain  
I can't stop drinking about you  
Without you I ain't the same  
So pour a shot in my glass and I'll forget forever! (Wow oh)  
So pour a shot in my glass 'cause it makes everything better! (Wow oh) Darlin' tell me what more can I do?  
Don't you know that I was meant for you?  
You say I feel like heaven on earth,  
But you'd never know what heaven was if it wasn't for her I can't stop drinking about you  
I gotta numb the pain  
I can't stop drinking about you  
Without you I ain't the same  
So pour a shot in my glass and I'll forget forever! (Wow oh)  
So pour a shot in my glass 'cause it makes everything better! (Wow oh) I can't stop drinking about you  
(Drinking about you)  
I can't stop drinking about you (Drinking about you) (Without you I ain't the same) No one's gonna love you  
like I do (I do, do, do, do, do, do) I can't stop drinking about you (Drinking about you)  
I can't stop drinking about you (Drinking about you) (Without you I ain't the same)  
So pour a shot in my glass and I'll forget forever! (Forever)  
So pour a shot in my glass 'cause it makes everything better! (Wow) No one's gonna love you like I do
