

New Illuminati

Future

Se-e-e-exin' you
Care-e-essin' you
I'ma treat you like the one
Now you is the one I'ma tell you I'm so proud
I'ma tell you I'm so proud
If I ain't told you, I mean it
I'm so proud, I'm so proud of you
Se-e-e-exin' out loud
Se-e-e-exin' out loud
Fle-e-e-exin' right now
Fle-e-e-exin' right now
Drop tops I don't waste time, oohooh
Drop tops in the wintertime, with security
We the new illuminati
We the new illuminati, babe
All about us, fuck them
We the new illuminati
I got the sense that you fucked with the set
When I give you the set, you be holdin' me back
I don't hold me down when they do
Nothing to lose, ain't got nothing to prove
When you freakin' on me, and I'm freakin' on you
Gotta ride it like a bull
Soon as I'm ready, your neighbor I get
That paper did say, "No favor"
I'm flexin' like I got somethin' to prove
Drop that, it goes like a throwaway, yeah
I could never see no hater, got fivers and tens all around me, yeah
Buyin' coke is easy, ain't no manners
These niggas just fakin', they never could see me
No yah, yah, yah
Be a pal, scratch that, alligator, crocodile on my seat
Playa' haters, I won't see you later
Left foot, right foot, let me see you step on my car
Man, piss 'em off with verses, we gon' do what we do with bands, yeah
Sexin' out loud
Like guns sprayin' in the crowd
Lay low for a night
No shot fuckin' it right up, yeah

I'ma tell you I'm so proud
I'ma tell you I'm so proud
If I ain't talked to you in a minute
Im so proud, I'm so proud of you
Se-e-e-exin' out loud
Se-e-e-exin' out loud
Fle-e-e-exin' right now
Fle-e-e-exin' right now
Drop tops I don't waste time, oohooh
Drop tops in the wintertime, with security
We the new illuminati
We the new illuminati
All about us, fuck them
We the new illuminati Don't know our secrets
