SECRETS

[Chorus]
This heart is yours,
So take it as you please,
But if you walk away,
Remember, I need that heart to breathe.[Verse 1]
I always try so hard to be her right,and all she does is fight the reasons why,
The future always seemed so bright,
I don't know why she fears the light,
You always try to hide and cover up the hurt inside,
But I see through your lies,
You know I'm what you need,
And I need you to breathe,
So won't you take-[Chorus]
This heart is yours,
So take it as you please,
But if you walk away,
Remember, I need that heart to breathe.[Verse 2]
No oh, if you've seen what I've seen,
You should know,
You know it's not a good thing to let go,
3 years of constant devotion,
Are gone with our destructive emotions,
Our love that once was lays in waste,
But I still offer you-[Chorus]
This heart is yours,
So take it as you please,
But if you walk away,
Remember, I need that heart to breathe.[Verse 3]
I need you now,
More than you know,
Why won't you come home?
I need my heart to breathe,[Break]
There's a part of me that still can't sleep at night,
Without you in my side,
It's getting harder and harder to breathe,
The farther and farther you get from me,[Chorus]
This heart is yours,
So take it as you please,
But if you walk away,

I need my heart to breathe,
This heart is yours,
So take it as you please,
But if you walk away,
Remember, I need my heart to breathe,
This heart is yours,
So take it as you please,
But if you walk away,
Remember, I need that heart to breathe.
