

Best of You

Meadowland

The best of you
holds nothing to remember
But since it's you
Of course I do
I remember every single second
Like I remember dreams
When I remember dreams I won't pursue
Loving you thru another winter
That won't do
And nor did I
It's not that I am only splinters
No gloomy state of mind
That's not how spend my time, It's just nothing that I do
Thou I don't go waiting for you
Sure I thought about it
Don't want to talk about it
Nights to dawn and dawn today
I don't lie waiting for you
Sure I thought about it
Don't want to talk about it Now here's to you
Don't ask me no more questions
I wish you knew
Better You go on like nothing ever happened
But I remember dreams
I sometimes remember dreams It's just something that I do
Thou I don't go waiting for you
Sure I thought about it
Don't want to talk about it
Nights to dawn and dawn today
I don't lie waiting for you
Sure I thought about it
Don't want to talk about it
