## Alex Lloyd

My heart is as black as my soul  
My mind is a head but its whole  
Im loosing in a back of direction  
Im dreaming of a resurrectionHey hey hey yeah yeah  
I cant get you off my mindI keep on bring me down  
Thinking of the way you used to feel  
Dreaming about your face  
Thinking of another placeHey hey hey yeah yeah  
I cant get you off my mindIm still thinking about you  
What everyone wantsHey hey hey yeah yeah  
I cant get you off my mind
