

# Salvation

## Pennywise

I want your salvation - we need some liberation  
And I believe in history yeah  
Do you know what's wrong or right?  
Imagine a life without rules  
It's time to make a difference and it's plain to see  
All we get is talk from you  
I just want to live my life  
I don't want to die an abomination  
I want your salvation - I need your creation  
Why can't you see - I got to be free  
I'm never gonna stop being me  
I want some indication and we need consideration  
How long will it take before you hear our pleas?  
Is there any hope in sight?  
We're all the sum of humanity  
Can't you see our point of view?  
We just want to live our lives  
How long can you hide from the truth?  
What you want you might never get it  
Till you try -so reach and grab it  
Live your life for no real reason  
Represent it stands to reason all your life I call it treason  
I can't believe all the things I'm seeing  
So live your life for no real reason  
I can't believe all the things I'm seeing
