

Waiter! Bring Me Water!

Shania Twain

Yeah, he took me to our favorite spot
A place we go to hang a lot
Something seemed to catch his eye
Ooover my shoulder
Ooover my shoulder I turned around to see what's up
(What's up)
A pretty young thing sure enough
She was new he wanted to
Knoooow her
Knoooow her Oh yeah, then she flicked her hair
(Yeah)
Oh yeah, he began to stare Waiter
(Waiter)
Bring me water!
I gotta make him keep his cool
(Waiter)
Bring me water!
He's acting like a fool
(Waiter)
Bring me water uhh ohh I did my best to block his view
But it was like he could see through me
I just knew he wanted to
Hooold her
Hooold her Oh yeah, I ain't gettin' nowhere
(Yeah)
Oh yeah, she's still standing there Waiter
(Waiter)
Bring me water!
I gotta make him keep his cool
(Waiter)
Bring me water!
He's acting like a fool
(Waiter)
Bring me water, ohh yeah Huh, there's gotta be a way to cool this clown
He's starting to embarrass me
I may even have to hold him down
Bring me water I don't know what he finds so distracting?
What's so hot about her?
I really don't like the way he's acting

Bring me water, uhh, bring it onHhh ohh ohh
What's so hot about her?
Uhh uhh uhh
Yeah yeah yeah yeah(Waiter, bring me water)
Gotta make him keep his cool
(Waiter, bring me water)
Send him back to school
(Waiter, bring me water)
Hes acting like a fool
(Waiter, bring me water)
Waiter, bring me water
