If It Wasn't For You

Day26

[Will]I could be homeless goin to sleep, on the concrete
Panhandlin, tryna get change for what I need
Or lookin for a bridge when my cardboard gets soggy
So I can stay dry
I could be losing my mind with nobody to talk to
Lookin in the mirror tryna figure out what's true
When I hear no direction
You show me more than my reflection
When it rains, it pours, when life's a chore
And I just can't take no more
When every where's a closing door
You're the one I'm looking for
[Chorus + Brian](If it wasn't for you)
I'd be living a lie thinking what's wrong, was right
(If it wasn't for you)
I'd be serving time in prison in my own mind
(If it wasn't for you)
I'd be out in these street tryna find a way to make ends meet
(If it wasn't for you)
I gotta thank you
If it wasn't for...you!
[Robert]Every day is a struggle to wake up
Living with the stress in my life that builds up
It's like a mountain too high to climb up

If something's at the top does anybody know what?
'Cause I don't know, it's such a long road
For every step I've taken I wanna thank you
For never leading me wrong
When it rains, it pours, when life's a chore
And I just can't take no more
When everywhere's a closing door
You're the one I'm looking for
[Chorus + Qwanell](If it wasn't for you)
I'd be living a lie thinking what's wrong, was right
(If it wasn't for you)
I'd be serving time in prison in my own mind
(If it wasn't for you)
I'd be out on these street tryna find a way to make ends meet

(If it wasn't for you)
I wanna thank you
If it wasn't for...you
[Will/Big Mike/Robert/Qwanell/Brian]I probably wouldn't know what I know now
Probably wouldn't be where I am now
oooh, You found a part of me that I never knew about
You gave me hope when in doubt, yeah
And I thank you for everything you've done for me, hey
And now I see it's because of you
If it wasn't for you 9x
Where would I go without you?
