

# Unless We Fuckin (Ft. Clinton Sparks)

Akon

Hey, ain't nobody going to my house tonight unless we fuckin  
Ain't nobody going to my house tonight unless we fuckin  
Ain't nobody going to my house tonight unless we fuckin  
Ain't nobody going to my house tonight unless we fuckin  
Unless we fuckin, unless we fucking, unless we fuckin  
Unless we fuckin, unless we fucking, unless we fuckin  
Unless we fuckin, unless we fucking, unless we fuckin  
Ok girl, I got a question  
So k girl, me ask you a question  
I just wanna know girl, are you down to fuck or not?  
I ain't try to talk a lot  
You like rappers here's your shot, freestyle girl off the top, take it down  
Acting like you hit it, what's the hesitation girl?  
Asking what we gonna do, use your imagination girl  
Just take it off, I'm just trying to break you off  
You just need to take it off, cause I just wanna break you off  
Like this, like this, like this, like this, like this,  
Hey, ain't nobody going to my house tonight unless we fuckin  
Ain't nobody going to my house tonight unless we fuckin  
Ain't nobody going to my house tonight unless we fuckin  
Ain't nobody going to my house tonight unless we fuckin  
Unless we fuckin, unless we fucking, unless we fuckin  
Unless we fuckin, unless we fucking, unless we fuckin  
Unless we fuckin, unless we fucking, unless we fuckin  
Baby all I wanna know is how far you wanna go  
Then you over slap it slam it like a Maserati go  
Heard you got that dynamo, yeah that aqua feeling flow  
Shit I flow like water too, so Shawty what you waiting for?  
You just need to take it off, I'm just trying to break  
you off  
You just need to take it off, cause I just wanna break you off  
Like this, like this, like this, like this, like this,  
Hey, ain't nobody going to my house tonight unless we fuckin  
Ain't nobody going to my house tonight unless we fuckin  
Ain't nobody going to my house tonight unless we fuckin  
Ain't nobody going to my house tonight unless we fuckin  
Unless we fuckin, unless we fucking, unless we fuckin  
Unless we fuckin, unless we fucking, unless we fuckin  
Unless we fuckin, unless we fucking, unless we fuckin.
