He Rode All The Way To Texas

Emmylou Harris

A light shines from my window
Just can't sleep no more
Lord, it hurts so much to be alone
But the real men never do admit
It's them that might be wrong
At least that's what he told me in his songHe rode all the way to Texas
On an old freight train
Didn't miss the girl he left behind
He rode all the way to Texas
Didn't shed a tear
He's lettin' you know that he's the movin' kindThe freedom that he sings about
I guess, I'll never know
Just can't shake the guilt or kill the pain
But he lets me ride when the lights turn low
Get on board the radio
And take a ride to Texas on his trainHe rode all the way to Texas
On an old freight train
Didn't miss the girl he left behind
He rode all the way to Texas
Didn't shed a tear
Lettin' you know that he's the movin' kind
He's lettin' you know that he's the movin' kind
