Little Red Corvette

Prince & The Revolution

I guess I should've known by the way
You parked your car sideways that it wouldn't last
See, you're the kinda person that believes in makin' out once
Love 'em and leave 'em fastI guess I must be dumb
'Cause you had a pocket full of horses
Trojan and some of them used
But it was Saturday night, I guess that makes it all right
And you say, "What have I got to lose?"And honey, I say Little Red Corvette
Baby, you're much too fast
(Oh)
Little Red Corvette
You need a love that's gonna last
I guess I should've closed my eyes
When you drove me to the place where your horses run free
'Cause I felt a little ill when I saw all the pictures
Of the jockeys that were there before meBelieve it or not, I started to worry
I wondered if I had enough class
But it was Saturday night, I guess that makes it all right
And you say, "Baby, have you got enough gas?", Oh yeahLittle Red Corvette
Baby, you're much too fast
(Yes, you are)
Little Red Corvette
You need to find a love that's gonna last
(Oh, oh)A body like yours oughta be in jail
'Cause it's on the verge of bein' obscene
Move over, baby, gimme the keys
I'm gonna try to tame your little red love machine
Little Red Corvette
Baby, you're much too fast
Little Red Corvette
Need to find a love that's gonna last, hey heyLittle Red Corvette
Honey, you got to slow down
(Got to slow down)
Little Red Corvette'Cause if you don't, you're gonna run your little red corvette
Right in the ground
(Little Red Corvette)
Right down to the ground
(Honey, you got to slow down)You, you, you got to slow down
(Little Red Corvette)

You're movin' much too fast, too fast
Need to find a love that's gonna lastGirl, you got an ass like I never seen, ow
And the ride
I say the ride is so smooth, you must be a LimousineOw, baby, you're much too fast
Little Red Corvette
You need a love, you need a love that's, uh, that's gonna last
(Little Red Corvette)Babe, you got to slow down
(Y got to slow down)
Little Red Corvette
'Cause if you don't, 'cause if you don'tYou're gonna run your body right into the ground
(Right into the ground)
Right into the ground
(Right into the ground)
Right into the ground
(Right into the ground)
