

# Wolf Pack (Live from London, England)

## The Vaccines

You've seen the world  
What did it look like?  
You took a plane  
I'll take a push bike  
Run with the wolves  
Calling all the wolf pack  
When did you go and when did you get back? I don't even know you  
You're just someone new I don't want to talk to  
You're wild, I don't find you crazy at all You're on the rocks  
Would you like to get some?  
I'm kind of straight  
Where do you come from?  
I'm always right but what's your perception?  
I'm kind of shy  
Oh, didn't he mention? I don't even know you  
You're just someone new I don't want to talk to  
You're wild, I don't find you crazy at all
