

Halo Of Flies

Jello Biafra

I've got the answers
To all of your questions
If you've got the money
To pay me in goldI will be living
In Old Monte Carlo
And you will be reading
The secrets I soldDaggers and contacts
And bright shiny limos
I've got a watch
That turns into a lifeboatGlimmering nightgowns
And poisonous cobras
Silencer under the heel of my shoeThe elegance of China
They sent her to lie here on her back
But as she deeply moves me
She'd rather shoot me in my tracksAnd while a Middle Asian lady
She really came as no surprise
But I still did destroy her
And I will smash
Halo of fliesI crossed the ocean
Where no one could see
And I put a time bomb
In your submarineGoodbye to old friends
The secrets in hand
With phony papers
And counterfeit plans
You never will understand
