

# Get Back Up

## Airbourne

Let the world fall down and see if I care

I see [?] but I know who I am

'Cause I work all day and I rock all night

Don't try to stop me unless you're ready to fight You can knock me down, but I'll still be here in the final

round 'Cause I get back up (get up)

One more time, then you knock me down

And get back up (get up)

You can't keep me down Ah yeah! You look down on me, I don't look up to you

It's the same old school, give me something new

'Cause you try, try, try to get in my way

But I know what I got and you can't take it away You can knock me down, but I'll still be here in the final

round 'Cause I get back up (get up)

One more time, then you knock me down

And get back up (get up)

Everytime that you knock me down, I get up That's right

Come on

I'm gonna get back up You can knock me down, but I'll still be here in the final round 'Cause I get back up (get up)

One more time, then you knock me down

And get back up (get up)

Everytime that you knock me down

'Cause I get back up (get up)

Get back up (get up)

'Cause I get back up (get up)

I get back up You can't keep me down
