

Hlala Nami

Lundi

Hlala nami! Litshonil' ilanga,
Ubusuku bufikile, nkosi,
Ma ndingasali ndingenamncedi,
Ndenzel' uncedo ngokuhlala nam.

Buya khaw'leza obo bomi bam,
Ndiya siywa zezomhlab' izinto;
Ndibona iinguquleko zodwa,
Wen' ongaguqukiyo: hlala nam.

Yiba seloko ukufuphi nam,
Undigxothele zonk' iintsaba zam;
NguWe nkosi onokundigcina,
Phakathi kwentshunguzi: hlala nam.

Andinakuxhala kukho wena,
Lintlungu neentsizi azinani;
Luphi uloyiso lwakho nchwaba?
Ndiya koyisa xa Uhleli nam.

Zibonakalis' emehlweni am,
Uz'undikhombise okwezulu;
Ndikhanyisele yonk' indlela yam,
Nasekueni kwam Uz'ube nam.
