Lazy Days

Robbie Williams

Come out to play, the future lies with you

Now you can be sure love is the cure

What we're searching for is to have

A jolly good timeCrazy days but you'll get me through

And here I'll stay holding on to you

Now you can be sure our thought's unpure

Will unlock the door and we will have

A jolly good timeIt can happen in any season

We don't need any reason to sit around and wait

The world can change in a second, so

I find the sunshine beckons me

To open up the gate and dream and dreamLazy days, don't let them get you down

Wear your smile, I don't want to see you frown

Don't let them get you down
