Foolish

Scarlet Fade

Verse:
Foolish to think
That I am in love
So foolish to believe
That you are all
I want to knowTell me again
The lie I am in
Is it too late
To redirect my fate
Foolish to think
That I am in loveChorus:
Foolish heart
I dont know how
You get yourself
Into this mess
When do you think best
You are a foolish heartVerse:
Hard to believe
That every thing stops
When youre in love
When its a lie
And sometimes I tryIll figure it out
Somehow I will
Be better off when I dont want to know
Or listen to youVerse:
Maybe in time
It will be good
I hope that my heart
Is beating still
So foolish so wrong
So apartBaby Im hurt
Put that in your mind
And then watch me rise
To become all that I can be
Something....GOOD!!
