My bongos in the dirt.Hey punk, where you goin' with that
Hair on your head?

Hey punk, where you goin' with those
Beads around your neck?I'm goin' to the shrink so he can help me
Be a nervous wreck...(just at this moment, the 2700
Microgram dose of stp ingested by
Flower punk shortly before the
Song began takes effect: before
Your very ears his head blows up...
Leaving a bizarre audial residue all over
Your teen-age record player!)
Hey punk! hey punk! hey punk!

Punky! punk! hey punk! punky!
Come and go...come and go...
Polly, do I ever have a lot of soul?
I think I love you!
Questi dominga?
Have you seen that nose eating?
I wanna know for sure!
Leave my nose alone please!
What 're you trying to do?
Listen! ...This is one of the most
Exciting things that's ever
Happened to me
You know, every time I think
About how lucky I am to be in
The rock & roll industry
It's so exciting
You know, when I first got into
The rock & roll business
I could barely even play the
Changes to this song on my, on
My guitar
But now I'm very professional
I can play the guitar
I can strum it rhythmically
I can sing along with my guitar
As I strum I can strum, sing, dance,
I can make merry fun all over
The stage
And you know, it's so wonderful
To...
It's wonderful to feel that i'm
Doing something for the kids
Because I know that the kids
And their music are where it's
At The youth of america today is
So wonderful
And I'm proud to be a part of
This gigantic mass deception I hope she sees me thrilling,
Yes...
I hope she sees me dancing and
Thrilling I will say: "hello dolly!" Is the song over?
Boy, this is really exciting,
Making a rock & roll record
I can't even wait until our
Record comes out and teen-agers

Start to buy it We'll all be rich and famous! And when my royalty check comes

I think I'm going to buy a

Mustang

No, I think i'll...i think i'll

Get a corvette

No, I think I'll get a harley

Davidson

No, I don't think I'll buy any

Of those cars

I think what I will do is i

Will buy both

No, I don't do that either

I think, ah, I'll go into real

Estate

I think I'd like to...

I think I'd like to buy a house

In ... boulevard

No, that wouldn't do any good

Gee, I wonder if they can see

Me up here, twirling that

Tambourine and dancing...Maybe after the show

One of the girls who sees me up

Here, singing and thrilling my

Tambourine and dancing, will

Like me

And she will come over to me

And I will walk

I will walk up to her and i

Will smile at her

And I will impress her and i

Will say: "hello, baby,

What's a girl like you doing in

A place like this?

I'm from a rock & roll band,

I think we should..."

Is the song over?
