

Explode

Lit

Oh, I can't feel my head
All I see is the color red
Oh, if you hold my hand
Feel me tremble, you'll understand
I'm gonna explode
I'm fucking gonna explode
Oh, if you feel my hands
All I see is the color red
Oh, if you held my head
Feel me shake, then you'd understand
Doesn't it feel good?
Doesn't it feel good?
Does it feel good?
Doesn't it feel good?
Doesn't it feel good?
Does it feel good?
Doesn't it feel good?
Doesn't it feel good?
Does it feel good?
Doesn't it feel good?
Doesn't it feel good?
Does it feel good?
