

# But The World Goes 'round

**Barry Manilow**

Sometimes you're happy  
And sometimes you're sad  
But the world goes round  
And sometimes you lose  
Every nickel you had  
But the world goes round  
Sometimes you're dreams get broken in pieces  
But that doesn't matter at all  
Take it from me, there's still going to be  
A summer, a winter, a spring and a fall  
And sometimes a friend starts treating you bad  
But the world goes round  
And sometimes your heart breaks  
With a deafening sound  
Somebody loses, and somebody wins  
And one day it's kicks  
And it's kicks in the shins  
But the planet spins  
And world goes round and round  
Sometimes you're happy and sometimes you're sad

But the world goes round  
And sometimes you lose  
Every nickel you had  
But the world goes round  
Sometimes your dreams get broken in pieces  
But that shouldn't altar a thing  
Take it from me, there's still going to be  
A summer, a winter, a fall and a spring  
And sometimes a friend starts treating you bad  
But the world goes round  
And sometimes your heart breaks  
With a deafening sound  
Somebody loses, and somebody wins  
And one day it's kicks then it's kicks in the shins  
But the planet spins  
And the world goes round  
And round and round and round and round  
The world goes round

And round  
And round  
And round
