Underdog

Yellowcard

One more trip down
To the lost and found
To find your heart that the
Quarterback punk dropped on the ground
One more trip down
To the lost and found
To find your heartLeft out
The one they picked last for the big ball game
Beat up after class
No doubt
You'll show them one day
You are not the same
You won't be the last one anymoreOne long walk down
Through the hallways now
You're finding out
That you don't fit in this time around
One long walk down
Through the hallways now
You feel left out
