

# Siren Song (Live @ KCRW on 06.15.09)

## Bat for Lashes

Are you my family?  
Can I stay with you a while?  
Can I stop off in your bed tonight?  
I could make you smile In the morning I'll make you breakfast  
In the evening I'll warm the bed  
And I'll always be happy to kiss you  
Promise I'll never get sad Till the siren come calling, calling  
It's driving me evil, evil  
I was a heart breaker, I loved you  
The same way I do  
But I've got so much wickedness and sin My name is Pearl  
And I'll love you the best way I know how  
My blond curls slice through your heart  
And the siren come calling  
In the night, till the light Help you dress yourself up fancy  
Bathe you when you get sore  
I'll be good, I think I could be all  
You would want and more and more Be proud when you dazzle the wondrous  
Glitter your eyes for the town  
Tell every last boy that you're my man  
Try not to let you down Till the siren come calling, calling  
It's driving me evil, evil  
I was a heart breaker, I loved you  
The same way I do  
But I've got so much wickedness and sin My name is Pearl  
And I'll love you the best way I know how  
My blond curls slice through your heart  
And the stars are exploding in the night It won't be long until you'll break  
No, it won't be long until you break  
It won't be long until you break  
It won't be long until you break  
Cause I'm evil, 'cause I'm evil
