

My Dearest Darling

Etta James

All I need
Is someone like you
My dearest darling
Please, love me to Within my heart
I pray your answer's yes
I'll make your life
Full of happiness I'll be there by your side
Oh, I pledge my love to you
With God as I guide Oh, nothing, nothing, nothing in this world
Can keep us apart
Unh, my dearest darling
I offer you my heart Oh, yeah whenever you need me
I'll, I'll be there by your side
Oh, I pledge my love to you
With God as our guide Oh, nothing, nothing, nothing in this world
Can keep us apart
Unh, my dearest darling
I'm offering you my heart
Unh, my dearest darling
