Will My Feet Still Carry Me Home

Elf Power

I wished it all away
Nothing here but empty space
Nothing left to fill my eyes
No more movements in the nightWe're all alone here
Fighting through the days
We erase our own fears
You, I cannot saveI don't know which way to go
Will my feet still carry me home?Now I am finally
Free to wander endlessly
Free to ride the waterfall
Free to climb the mountain tallWe're all alone here...I don't know... (2x)
