'Sweetest Touch'

Gross Magic

sweetest touch
I told too much
still gambling he knows my name
sweetest touch
you talk too much
dreams of you running 'round my brainsweetest touch
I told too much
still gambling she knows my name
sweetest touch
now I told too much
still gambling
am I insane?do want to easy one hundred
why, I'll never know
cause i'm too easy
wondering why it never showsI'm trying to be sane wondering
why, I'll never know
I'm trying be sane wondering
why it never shows
I know
