

# Lions And Tigers And Bears

## Todrick Hall

Whoa, whoa Confidently, I did the thing  
A woman like me should never do  
I stepped on a scale  
And thought "What the hell?"  
'Cause honey that scale was mighty rude  
So I've gained a little weight  
Mama's hair's a little gray  
And my strength just ain't the same  
But believe me when I say I'd fight a bear underwater for my baby  
Bring on a lion, I'm not frightened  
They can't take me  
I'd tear the stripes off any tiger  
You just call me and I swear  
I'm right there and I'm not scared  
Of lions and tigers and bears  
Whoa, oh, whoa A wolf or a fox, please  
A big jabberwocky  
You just gotta knock on your mama's door  
I'll fight through the fire  
But if there's a spider - well honey  
That's what your friends are for!  
I know sometimes we don't agree  
But I'm always on your team  
And if somebody's ever mean  
If they try to take a swing  
I'm gon hit that gangster lean  
Somebody hold my earrings  
Let me get that Vaseline  
'Cause they gon' have to go through me
