The bad dreams of Freya
Shows what will happen
To her shining son
Baldur the light god
She swa him living
In the dark world of hel
Killed by a hand
[Which was] guided by evil
Bridge 1:Loki heard what she's done
She made the whole world swear
That nothing'd hurt her son
But she forgot the fallen one
Bridge 2:Loki do you really know
What you have done
Evil arises, giants cross
[The] border-line of the north
Refrain:
You are the deceiver of the gods
Enemy of the human kind
Murderer of the light god
Loki
Deceiver of the gods
Enemy of the human kind
Murderer of the light god
Loki
The gods played a game
Shooting at Baldur
For they knew
That nothing would hurt him
Loki took some mistletoe
Made from it an arrow
Gave it to HÃ¶dur
And made him kill the shining one
Bridge 1
Bridge 2RefrainEvil arises
Giants cross
Border-line
Of the north
You are the deceiver of the gods

Enemy of the human kind
Murderer of the light god
Loki
Deceiver of the gods
Enemy of the human kind
Murderer of the light god
Killed the shining one
