

# Reject

## Living Sacrifice

I set myself up  
I've no one to blame but my  
Self pity is useless  
I'll not entertain your  
Sickness, sickness Half truths, deceit  
Forced in, not God  
Reject Reject all lies, reject all lies  
Reject all, reject all lies Rebuke, take hold  
Intrepid Spirit of God  
Rebuke, take hold  
Authority of God Reject all lies, reject all lies  
Reject all, reject all lies Reject all the lies, reject all of the lies  
Reject, reject, reject all lies
