When Christmas Comes

Los Campesinos!

The whole world feels a little bit more love
When Christmas comes, when Christmas comes
And everywhere that you go, there's people singing "Let It Snow"
And hanging up that mistletoeAnd me, and you gonna have ourselves a holiday
And we don't need nobody else to celebrate
And we're gon' kiss our worries and our cares away
I can't waitBecause this Christmas time get together
It's gonna be so nice, better than ever
And baby, you're the one special treasure
I can't wait to unwrap your love until Christmas comes
Oh babySo many souls hurt, so many don't have enough
When Christmas comes, when Christmas comes
But baby, if you spread love, someday it might be enough
To heal each other one by oneAnd we gon' get together, and rejoice and pray
And we gon' help the world become a better place
And we gon' sing and shout because the savior reigns
So don't dismayBecause this Christmas time get together
It's gonna be so nice, better than ever
Because this gift of love lasts forever
The Lord makes our hearts open up soon as Christmas comes
It's gon' be alright when Christmas comesOh, jingle all the way, oh what fun, mmmAnd we gon' reminisce about the good old days
And we gon' laugh together as the children play
And through the years is always gonna be this way
Come what mayBecause this Christmas time get together
It's gonna be so nice, better than ever
And baby, you're the one that I treasure
I can't wait to unwrap your love when Christmas comes
